

POWERFUL 650CC ENGINE

THE 650NK IS A STREET BIKE FOR REAL RIDERS, the ones who know what they want and what it takes to get there. These machines are built to dominate the urban terrain. Every ride is not only exciting but every corner you take is a thrill within itself. Now stop reading and step up to a true riding experience.

BOSCH EFI SYSTEM
Low emission.

SEMI-DRY SUMP
Flexible riding experience.

2-CYLINDER INLINE
8-valve, DOHC.

650NK

FRONT MASK/DESIGN

The lines on the front of the bike, used for the NK range show the aggressive and sporty stance. With a clearly unique look and feel, the 650NK is roaring to go.

LED HEADLIGHT
The powerful LED headlight ensures better vision and a safer riding experience.

KYB FRONT AND REAR SHOCK ABSORBER
The precisely adjusted KYB suspension responds instantly to any riding action, providing a quick response time and an effortless riding experience.

CONTINENTA ABS
The ABS brakes have excellent stop-ability for shorter braking distances and more braking power.

ENGINE
The 650NK has a 2-cylinder, 8-valve liquid cooled 650 cc engine. A 180-degree crankshaft-driven balancer shaft minimizes vibration reduces noise output while semi-dry sump allows for continuous lubrication and an FCC friction plate keeps things running smoothly.

LIGHT WEIGHT FRAME
The frame utilizes ultralight, high strength alloy steel material to provide great torsion resistance, making the frame longer-lasting.

RK CHAIN FROM JAPAN
Needle bearing design.

METZELER TYRES
High performance grip.
